2. The V.C. states that circumstances under which Sri H. Ramaswami Iyengar recommended for the grant of an extension of service till the end of March 1950, still continue, and that in the interests of the work of the Chemistry Deptt, it is necessary to retain the service of Sri Ramaswamiengar till the end of March ~~1950~~. 1951.

3. Sri H. Ramaswamiyengar who attained the age of superannuation on 12.11.1949 was granted an extension of service till the end of March 1950. Kind reference is invited to the Submission put up dated 5.10.49 relating to the grant of an extension of service to this officer. The present term of extension of service will expire by the end of March 1950.

4. The recommendation of the Vice-Chancellor to grant further extension of service to Sri H. Ramaswami Iyengar till the end of March 1951 is for orders.

25 In D.O. letter No. A3-163/49-50 dated 16th August 1949, the Vice-Chancellor has stated that Sri S. Siddappa, Asst. Professor of Chemistry, who is also in London is due to return in September 1950. Sri Siddappa may be taken up the work now attended to by Sri Ramaswami Iyengar from Sep. 1950. It is not known when Sri G. Narayan, who has gone on study leave in Sep. 1949, will be returning. In case the latter officer comes back earlier than the former he may perhaps replace Sri Ramaswamy Iyengar being senior to Sri Siddappa. Such being the case there appears to be no reason to grant extension of service to Sri Ramaswamy Iyengar till the end of March 1951 as recommended by the Vice-Chancellor.

26 In the above circumstances the Vice-Chancellor may perhaps be requested to state if the work of Sri Ramaswamy Iyengar cannot be entrusted to any of the officers returning from foreign Country and whether he still feels that his recommendation should be sanctioned.

Draft cr.

Subject: Proposal to grant further extension of service to Sri H. Ramaswami Iyengar. Acting Professor of Chemistry beyond the date of expiry of the present term of extension till the end of 15th June 1950.

In G.O. No 1693-96/CB16-49-6 dated 14-8-49, orders were passed permitting the retirement from service on his attaining the age of superannuation. of Sri H. Rama Swami Iyengar. But on a further reference from the Vice-Chancellor the matter was reconsidered and the recommendation of the Syndicate to retain the services of Sri H. Rama Swami Iyengar till the end of March 1950 and to grant him an extension upto the end of March 1950 was approved

Following this decision, it was proposed that Sri H. Rama Swami Iyengar. ~~Acting Professor of Chemistry on his attaining the age of superannuation~~ may be retired from service on the termination of the present term of extension and that suitable proposals for the filling up of the post may be submitted to the University in lieu of Calicut within the municipality Council.

~~when the Vice Chancellor the municipality of Mysore the~~

consulted whether Sri H. Ramaswami Iyengar may be relieved of his duties after the expiry of the period of extension of service is considered necessary, he has recommended that in the interests of work of the Chemistry Dept it is necessary to retain the services

when the file was put up to the Minister for Edn ('Sri B. H. C') he minuted as follows:—

"The extension up to the end of March 1950 was granted for certain reasons urged by the V.C. in his letter. The V.C. may be consulted if those reasons do not exist now and if this person can be relieved without detriment to work."

When the Vice-Chancellor was consulted whether Sri H. Ramaswami Iyengar may be relieved of his duties after the expiry of the period of extension of service ~~is~~ or further extension of service is considered necessary, he has recommended that in the interests of work in the Chemistry Dept it is necessary to retain the services of Sri H. Ramaswami Iyengar. till the end of March 1951.

When the ~~file~~ case was worked up, it was pointed out that, when the Dept of Chemistry has persons who are deputed for Special Studies beyond India and these are expected to return to India shortly after the completion of their studies. At least one of them may come back to India in Sept 1950.

In these circumstances, there ~~did not~~ does not seem to be any reason to accept the recommendation of the Vice-chancellor, as according sanction to the present proposal would have the effect of postponing promotion to those eagerly expecting their chances for the same, ~~as there are~~ as there are some Asst professors and senior lecturers hoping to get promotion according to their turn.

When the file was ~~to~~ submitted the minr for Edn & P. H. for orders he was pleased to minute as follows:-

"Sri H Ramakrishna Rengoda may be granted an extension of service up to 15-6-1950

When the file was submitted to the Chief minr he was pleased to order that the subject ~~may be directed to the Council~~ / may be disposed of by
